

iPhone - IMAP

The look and feel of each iPhone device can be different based on your software version and wireless vendor. The sample below is one version and yours may look different, but the steps should be the same or very similar.

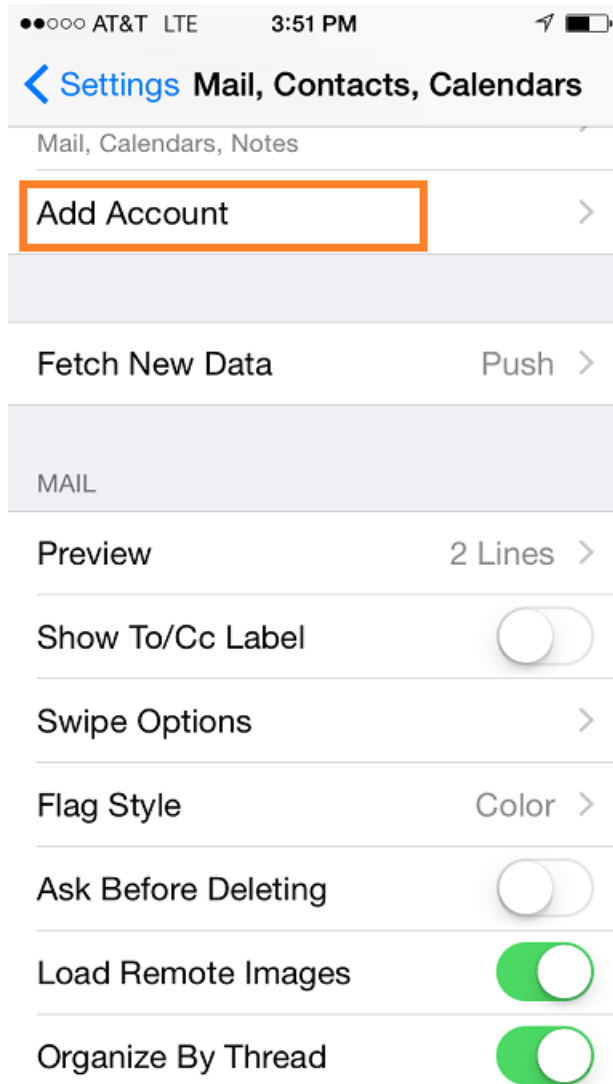

Locate and launch the Settings

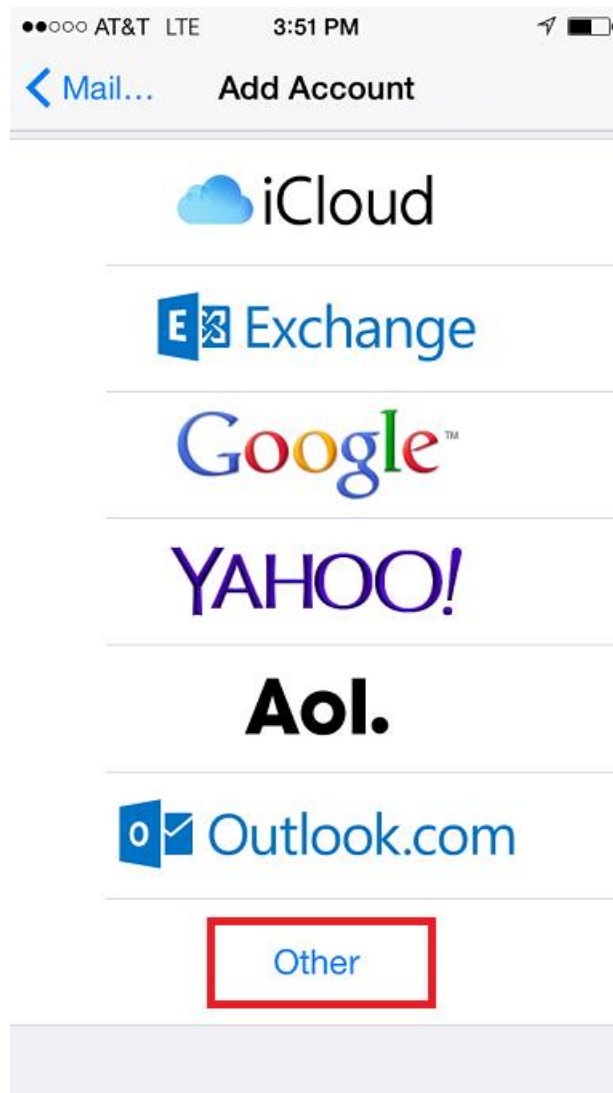

Select "Mail, Contacts, Calendars" from the Settings menu

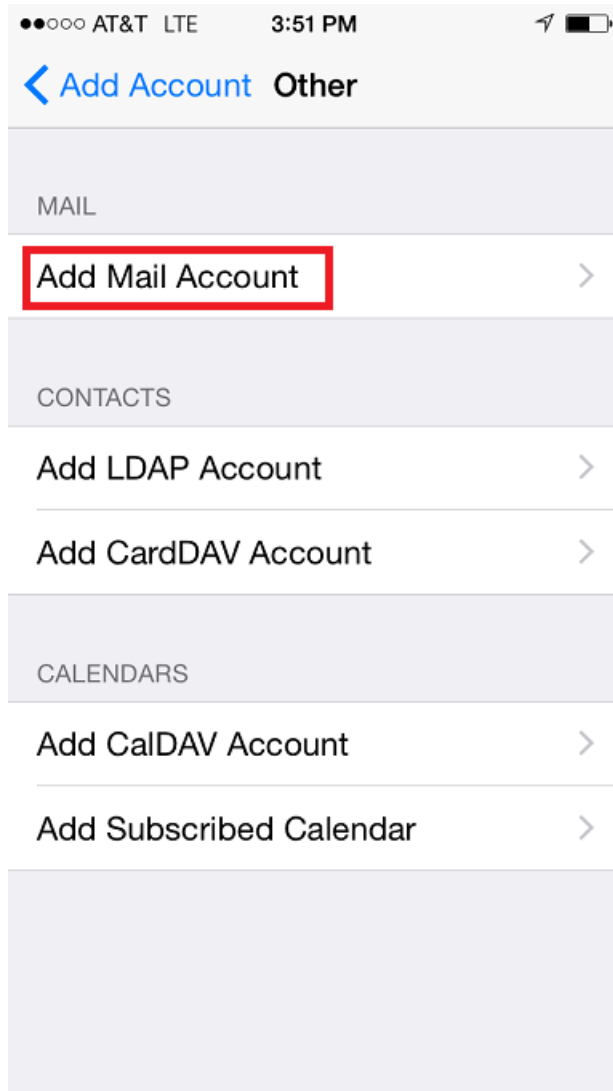

Scroll down and select "Add Account"

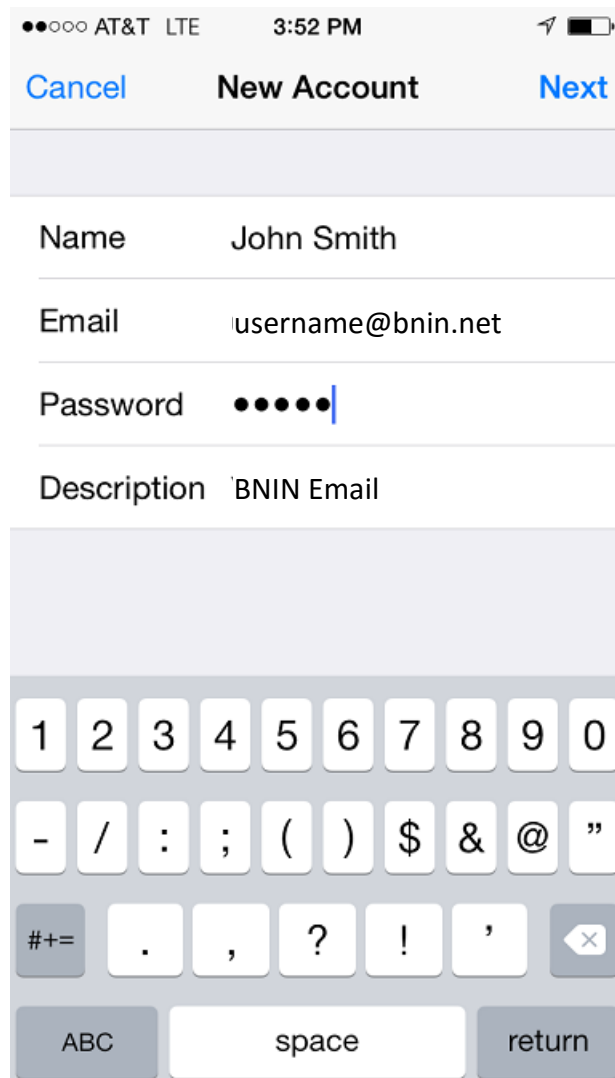

Scroll to the bottom and select "Other"

Select "Add Mail Account"

Complete the Name, Email (use your BNIN email address in place of “username@bnin.net”, Password and Description fields and click "Next"

The image shows a mobile application interface for creating a new account. At the top, the status bar displays 'AT&T LTE' and '3:52 PM'. Below the status bar are three buttons: 'Cancel' (blue), 'New Account' (black), and 'Next' (blue). The form consists of four text input fields: 'Name' with the text 'John Smith', 'Email' with the text 'username@bnin.net', 'Password' with five black dots and a cursor, and 'Description' with the text 'BNIN Email'. A keyboard is overlaid at the bottom of the screen, showing a numeric keypad, a row of symbols, a row of punctuation, and a bottom row with 'ABC', 'space', and 'return' buttons.

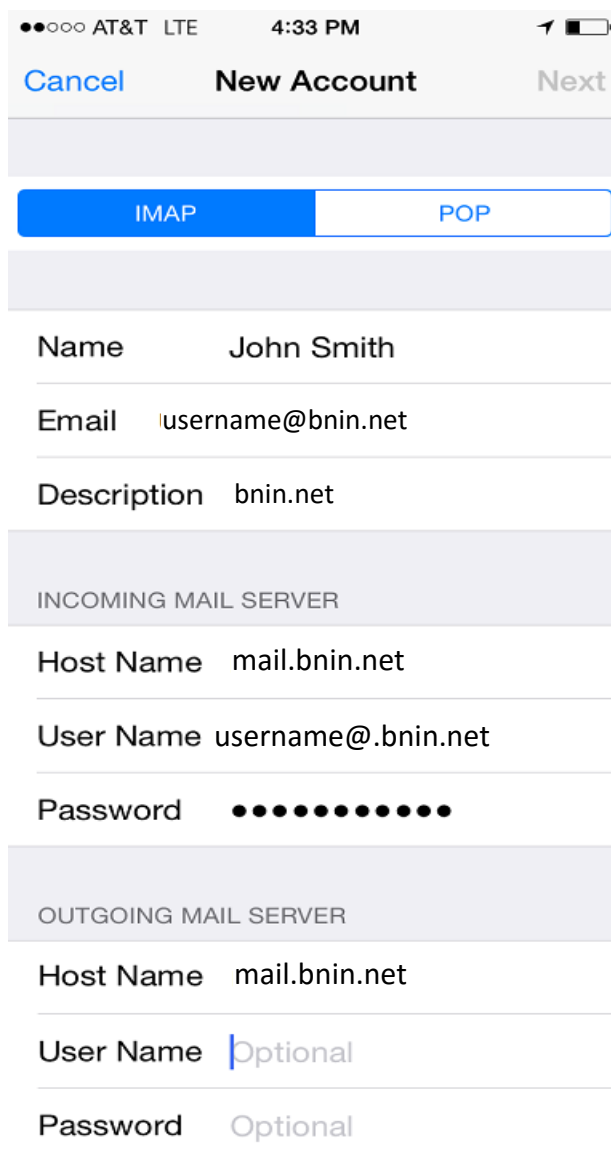

Configuring for IMAP

Click on "IMAP" and enter your account and domain settings:

Replace "username@bnin.net" with your email address.

For Host Name, type in mail.bnin.net.

Click "Next" when finished

The screenshot shows the 'New Account' setup screen on an iPhone. At the top, the status bar displays 'AT&T LTE', '4:33 PM', and battery level. Below the status bar are three buttons: 'Cancel', 'New Account', and 'Next'. A blue bar contains two options: 'IMAP' (selected) and 'POP'. The form fields are as follows:

- Name:** John Smith
- Email:** username@bnin.net
- Description:** bnin.net
- INCOMING MAIL SERVER:**
 - Host Name:** mail.bnin.net
 - User Name:** username@.bnin.net
 - Password:** [Redacted]
- OUTGOING MAIL SERVER:**
 - Host Name:** mail.bnin.net
 - User Name:** Optional
 - Password:** Optional

Select "Save" to finish.
